

**Utah Statewide Immunization Information System (USIIS)
Monthly Report for September 2001**

New Provider Enrollment: The Grantsville Medical Clinic and the St. George Clinic have enrolled in USIIS. **Contact Christine Perfili at 801-538-6185.**

Oversight Committee: The USIIS Oversight Committee held its quarterly meeting on September 21st. USIIS performance indicators are up due to the inclusion of Intermountain Health Care and United Health Care data. Other health plans indicated interest in data exchange. **Contact Nancy Paré at 801-538-6871.**

Marketing Plan Completed: The USIIS Marketing Plan has been finalized. It formalizes strategies to reach 2002 enrollment goals and performance measures. **Contact Christine Perfili at 801-538-6185.**

Immunization Summit Scheduled: Plans have been developed to hold a Governor's Immunization Summit luncheon November 15, 2001. Strategies that were implemented to achieve the success of the "Every Child by Two" Immunization Task force will be highlighted. The USIIS program will present its program highlights and next steps. **Contact Nancy Paré at 801-538-6871.**

Users Group: The KIDS/WebKIDS Users Group met on September 19th. The software basically works well for clinic and staff use. There are still requests for fine-tuning the product(s). **Contact Sandra Schulthies at 801-538-6871.**

United Health Care: USIIS technical staff have been busy loading some new data. United Health Care's data is now in the USIIS database. The significance of this load is that over 75% of the patient data mapped to patients already in USIIS. **Contact Joe Nay at 801-538-7008.**

Report Update: USIIS is currently updating its reports to an Actuate format. The coming reports are: 1) a batch patient forecast; and 2) a school report, which includes the new forecasted vaccines. Both are in the testing environment at this time. **Contact Joe Nay at 801-538-7008.**
